

## PTG Fundraising & Family Goal Program 2008-2009

Welcome Resurrection Families!

This is an exciting time of year as we meet new teachers and families and set new goals for a successful school year. The Parent Teacher Group (PTG) would like to share with you the goals for the Fundraising and Family Goal Program in the 2008-2009 school year.

As you may know, Resurrection School is dependent on two sources of revenue: tuition and fundraising. Tuition covers most of the basic operating expenses of the school, such as salaries, health benefits, utilities and classroom basics; however not all the expenses. Funds to cover the rest of the basic operating expenses and then additional amounts for facility improvements and school programs such as science camp, art and music programs, class activities and field trips, student government, etc., are raised by the PTG fundraisers.

Each school year, the PTG and School Boards establish a fundraising target. The PTG fundraising target for the 2008-09 school year is **\$148,000**.

In order to meet this goal, we request, per the tuition contract, that each family contribute toward a **\$600 annual family goal** by participating in any of the 4 major PTG fundraisers. Each Major PTG Fundraiser allows a profit percentage of your fundraising contributions to be applied to the annual family goal so that you can choose to participate in as many or as few of the 4 Major PTG Fundraisers provided you satisfy the \$600 per family profit goal. Resurrection PTG is committed to keeping tuition as low as possible. Participation in the Fundraising and Family Goal program, by all families, is crucial to making that happen.

While other fundraising opportunities are requested of families throughout the year, such as the Annual Appeal, collection of Box Tops, uniform exchange, gifts in kind made directly to the school, **only PTG-related fundraising profits** can be applied to the \$600 family profit goal. The table below identifies the 4 Major PTG Fundraisers for the 2008-09 school year and the qualifying contribution amounts that are applied to your family profit goal.
