

November 1, 2005

Dear Fourth Grade Students,

I would like you to begin to take your recorders home to practice. This privilege also carries the responsibility of making sure that you remember to bring your recorder to school on Fridays so that you will be able to play during music class. Your cooperation in this will be reflected in your music class homework grade.

I would suggest that you keep your recorders and your music folders in your backpack whenever you are not playing them. That way, they should be with you at all times.

Please remember that you are responsible for the recorder and the music. If you lose or damage your recorder, you will be required to buy a new one from me for the price of approximately \$5.00.

We will be talking more about practicing during our music classes. If you or your parents have any questions, please leave a message for me in the office or email me at music@resparish.org. Please return the form below with the appropriate signatures to me as soon as possible. Thank you!

Sincerely,

Mrs. Muscettola

I _____ (the student)
and _____ (parents or guardians)
understand that the recorders may be taken home to practice but must be brought back to school for all music classes and performances.
