

Starry Knights Auction — April 19, 2008

It's not too late! Donate goods and services that support academic & extracurricular programs for the students

Not sure what to donate? Donate goods you or your friends might buy — electronics, a spa gift certificate, a basket of movies and treats for a family movie night. Use of your vacation property or sporting event tickets make great auction items.

Turn your special skills — organizing your home, teaching a sport, making jewelry, photography — into an auction item. Donate babysitting hours that can be packaged with auction items such as dinner out or movie tickets. If you have a green thumb, donate hours to plant the flowers and trees provided by local nurseries.

Cash donations enable the auction committee to purchase items or underwrite the auction; 100% of your cash donation counts towards your family goal.

Deliver your donation to the office with the attached form.

Advertise your business: The auction catalog is a great way to create brand awareness within our local and surrounding areas. Sponsorships are also available, and help underwrite the costs of the auction.

For more information, please contact Christine Reynolds at 408-246-8714 or christine.reynolds@sbcglobal.net.

Thank you for your support! Without donations there would be no auction. You can help make the auction both a fun evening and a successful fundraising event!

Ideas for Donations

Services
