

April 4th, 2008

Dear Parents:

A walk along Bourbon Street and Royal Street is only two weeks away when we celebrate Starry Knights in New Orleans on April 19th, 2008. So many of our parents and staff members have dedicated time and energy to make this auction a success and we hope that you will be a part of it.

How can you participate in this fun event?

- My hope is that you can attend this event and get caught up in the spirit of New Orleans. We have tables for eight so come with some friends for a fun evening of live entertainment, great food and fun company. Tickets can be purchased via the form enclosed, at the Scrip table, or for your convenience online at www.resparish.org/school (there is a small service charge for online orders).
- We are still in need of volunteers for the evening as table closers, kitchen and serving help, check-in, photographer, raffle and drink sales and clean-up. Please contact Erica Lovett at acranel@pacbell.net or at (408) 807-5039 if you can help (remember you earn service hours for your efforts!).
- My thanks to all who have donated items for the auction. At this time, we have closed the donation piece and are pulling together the catalog to send to the printer. Look for it soon on the school's website.

This year for the second time we are focusing a portion of the live auction time on our "Fund-a-Need" program, specifically our Art program. It was such a success last year and as a result we were able to bring in the Community School of Arts for half of a year. Our goal this year is to raise enough money for a full year art program next year. Any monies raised above those needed for the art program will be directed towards the installation of ceiling mounted LCD projectors and screens in our classrooms. If you are unable to attend but would like to participate in the "Fund-a-Need" program, you may indicate your donation on the reverse side of the attached Ticket Reservation form.

Thank you for your support of Resurrection School. This auction is one of our major 4 fundraisers and the proceeds are used to support the school's overall budget, classroom field trips and activities, science camp, leadership camp, Pi Day, and the computer lab just to mention a few of the recipients of your fundraising dollars. Of the overall \$129,000 PTG budget, all but \$300 (PTG expenses) is allocated to the school and the needs of our children – without it, we couldn't provide the programs that are necessary to run the school.

I hope to see you on Saturday, April 19th and thank you for your ongoing generosity!
