### Core Conservatory (for ages 8 and up)

California Theatre Center's Core Conservatory is a full day 3- or 4-week long theatre workshop for actors ages 8 and up who are interested in developing their theatre skills. A Conservatory day runs from 8:30 am to 4:00 pm. In the morning, Conservatory focuses on classes in acting, voice, and movement. The skills students learn in class will then be applied to afternoon rehearsals for a show that will be presented publicly on the last two days.

### Junior Conservatory (for ages 6-8)

California Theatre Center's half-day Junior Conservatory is an 8-day long, half-day program for 6 to 8 year olds. Here, students are introduced to the concept of making plays and present their short play to family members on the final day of Conservatory.

Whether in Core or Junior Conservatory, students learn a great deal about what it takes to make great theatre!
