

Resurrection School First Grade

April 24, 2008

Celebrate What's Right With the World

Religion

We will learn about the Holy Spirit and Confirmation. We receive Baptism and Confirmation only once. However, the grace of these Sacraments helps us live as followers of Christ and strengthens our faith.

Better than a thousand hollow words is one word that brings peace.

Buddha (560 – 483 B.C.)

READING

Next week we continue to read stories about being afraid. Vocabulary words are squealed, excitement, and clever. There will be no new spelling words. We will have a Spelling Bee on Friday to review all spelling words.

Math

We will work with counting money. You can help by having your child use coins. Ask your child to pick out coins to equal a certain amount of money. Then have him/her make the same amount using different coins.

REMINDERS

Friday, April 25, is a school holiday. There will be no extended care. Monday, April 28 is a teacher in-service day. Extended card will be available.

NEWS

On Tuesday, April 29, the first graders will have their pictures taken with their eighth grade buddies. Please have your child wear his/her tie to school that day.

The eighth graders will be graduating on June 6. This is also the day of the Buddy Mass. The first grades will present their buddies with a gift at the Mass. This gift will be a picture with their buddy and a poem the first grader has written. The pictures and frame will be completed at school. We are asking you to help your child write the poem. Sample poems from past years are attached to the newsletter. These are only suggestions, you may use any style you like. The first graders will read these poems at the Mass. Please send the poem to school by May 7.
